

## **Venerdì 11 aprile**

- 13:45 Registration
- 14:15 Course introduction - A. Atzei, R. Luchetti
- 14:20 Anatomy of the SL ligament complex: facts & fictions - R. Luchetti
- 14:40 Clinical diagnosis of the SL ligament lesions- A. Atzei
- 15:00 Imaging diagnosis: doubt & sureness - R. Luchetti
- 15:20 Diagnostic and staging arthroscopic of the SL ligament lesions - A. Atzei
- 15:40 Treatment strategies: the 4 R - R. Luchetti
- 16:00 Coffee break
- 17:00 Acute SL ligament lesion: repair and reinforcement
- Open repair – M. Esplugas
  - Arthroscopic repair - V. Carralalà
- 17:30 Not repairable SL ligament lesion: reinforcement, reconstruction
- Open reinforcement - R. Luchetti
  - Open reconstruction – M. Esplugas
  - Arthroscopic reinforcement and reconstruction - A. Atzei
- 18:00 Discussion: which results can we obtain? – Faculty all
- 18:30 End of the first working day

## **Sabato 12 aprile**

- 08:15 Cadaver Lab: acute SL ligament lesion- 1<sup>st</sup> part
- Repair with arthroscopic techniques
  - Repair with open technique
- 10:15 Coffee break
- 10:30 Cadaver Lab: acute SL ligament lesion - 2<sup>o</sup> part
- Repair by arthroscopic techniques
  - Repair by open techniques
- 12:45 Light lunch
- 13:30 Cadaver Lab: le lesioni non riparabili – part 1<sup>st</sup>
- Reinforcement by arthroscopic techniques
  - Reinforcement by open techniques
- 15:30 Coffee break
- 15:45 Cadaver Lab: not repairable SL ligament injuries – part 2<sup>nd</sup>
- Reconstruction by arthroscopic techniques
  - Reconstruction by open techniques

17:00 ECM evaluion test

17:15 Closing remarks
